Mission Update

January - March 2014 - Vol. 304

My Trip to the Philippines

I left the United States on Wednesday January 30, 2014 and arrived Thursday, at 10:30pm January. This was my first time flying Korean Airlines. What a blessing it was. It was such a joy to fly where the people believes in good service .The food was also excellent .One young man in

the airport help me by calling Lyford and Martha Morris the missionaries to Tagaytay Philippines. I was so happy they were at the

airport. It was 1 ½ to 2 hour ride from Manila to Tagaytay. The ministry started at the prayer meetings. The church meets every Saturday 5:00am to 7:00pm. The Holy Spirit gave me the first message about Hannah who agonized in prayer for a child. The Lord opened her womb and gave her Samuel. Each I have the opportunity to minister the word of God and lead the people prayer for their nation.

My Trip to the Philippines

The next day, was Sunday, February 2nd 2014. We ministered in three places, Christian Development Center (CDC) Faith Christian Church, and the Children Ministry.

Our second assignment was children's ministry in a village area. Leonora has opened her home to have at least 20-22 children. It is very crowded. The children do not care how small the living room is. They are there are to be ministered to and to have fun. Rosemarie is an excellent children's minister. The songs and messages in the word of God are always great. Rosemarie has a heart of a missionary.

My Trip to the Philippines

The last Place of ministry was a church where Pastor Lyford ministers. The Pastor ask me to take up the offering. When it took the offering the power of God fell in the place and I began to pray for young people.

On Tuesday, February 4th, 2014 it was finally my time to teach in the Bible College. I taught on the Holy Spirit for three hours with one fifteen (15) minute break. With over 465 PowerPoint slides, It will take weeks for me cover everything. I believe God that are the student will be filled with the Holy Spirit by the time my lessons are finished. It has already began to happen. This week many

students were filled with the Holy Spirit.

My Trip to the Philippines

On Wednesday February 5th, 2014 Rosemarie and I went to two schools to minister to children. What a great time we had in the lord. At both school all the children gave their lives to Christ- approximately 75 children. Thank God, I already had a power point lessons with pictures on my laptop. Our program included: Worship, The Word of God, Drama, and The Ministry of Salvation. At the end, we all took pictures together. Because, I don't have children of my own, the Lord always gives me so many children that I can minister to.

On Saturday, February 6, 2014, I became extremely ill with pain I have never experienced before. Martha and Lyford had gone to a Wedding. When they came home Martha came up to my room to give me a cup cake from the wedding. When it took one bite, I fell ill. It was a very evil attack. I could not do anything for three days.

On Sunday morning, February 9th, 2014, I could barely walk the road to church. I sat in the back of the church waiting for Ptr. Lyford to call me up to minister. It was still in so much pain on the left side of my body. The devil did not want me to minister the Word the

Lord had given me, "In a Great House, there are Vessels of Honor and Vessels of Dishonor".

My Trip to the Philippines

The most wonderful thing happened, when I called the worship team back up to minister with me, as I lifted my voice to sing the presence of God came in the room. When I lifted my voice and worshiped with them all the pain in my body lifted. I was able to sing, preach lay hands, prophesy, and minister salvation. Pastor Millet, has put me on the Hallelujah diet. Hallelujah! I am totally healed now.

My Trip to the Philippines

Facilities:

Lobby

A warm and pleasant atmosphere will welcome you as you enter the CDC reception area.

Pastor's Lounge

The Pastor's lounge is a cozy place to relax and hold family gatherings or small group fellowships and meetings. We hold our prayer meetings and Wednesday night meetings here.

Library

You could access a wide variety of Christian books and other educational resources from the CDC library. My room is filled with books from this Library.

Dining Area

The common dining area and a convenience store are located at the 2nd Level.

Sanctuary

Located at the 2nd Floor, it is equipped with a sound system and multimedia facilities. It can hold up to 150 persons.

Function Rooms

Ideal for lectures and seminars, it can also be used for small classroom type and discussion group gatherings. This is where I teach in the Bible School.

Kitchen

Cleanliness is a top priority at CDC especially when it comes to food handling and services.
